

I hear K-LOVE on 88.1 in Twin Falls everyday and it is the only station I want to listen to because it has good values and you don't hear anything bad on it. I support K-LOVE and would be very upset if it was taken away from me. I believe our community needs this station for the music and messages they send not some LPFM station that would poorly replace it in my opinion. The public needs KLOVE to stay inspired each day, to keep something good for our kids to listen to and so we don't have to listen to yucky commercials and get to hear the music we want to listen to.
